PERSONNEL LOCATOR

ON-LINE USER GUIDE

(FOR USUHS ONLY)

TABLE OF CONTENTS

INTRODUCTION

The Personnel Locator was designed to allow USUHS students, faculty, and staff the opportunity to locate other USUHS students, faculty, and staff through an on-line directory. The main function of the Personnel Locator will be the search function. However, for some personnel there are additional functions beyond searching and viewing profiles. The Personnel Locator will allow the Administrative Support Division (ASD) and Administrative Officers to update specific student, faculty, and staff information directly on-line. The Security Office will also have the ability to insert a new person into the directory through an on-line form.

USER GUIDE OVERVIEW

The Personnel Locator On-Line User Guide is specifically designed to equip the user with instructions to successfully perform each function in the application. It is also a comprehensive reference for the user to assist with identifying screen and field definitions.

The User Guide is broken down into tutorials based on the options on the Personnel Locator Main Menu. The **Tutorials** provide written step by step details on how to perform functions using the Personnel Locator. Within the tutorials, there are screen shots, which give a pictorial reference as you navigate through the steps. In some cases there may be **Screen References** which will provide a pictorial view of screens in the Personnel Locator application that are read only and do not require the user to perform any action. Below the screen shots will be documentation of the data in each field in each screen.

Since the Personnel Locator is a web-based application, utilization of the application will take place via the Internet. Web page colors will sometimes vary depending on your browser or the settings on your computer. Should you encounter a problem with seeing buttons or backgrounds while testing, try the following:

<u>***RECOMMENDED SETTINGS***</u>

Internet Explorer – Click ***Tools*** menu, click ***Internet Options***, and click ***Accessibility*** on the General tab. Now make sure that that box that says ***Ignore colors specified on Web pages*** is <u>not</u> checked.

OR

Netscape Navigator – Click the ***Edit*** menu, click ***Preferences***, click ***Appearance*** under Category, and double-click ***Colors***. Now, make sure the box that says ***Always use my colors, overriding document*** is <u>not</u> checked.

CONVENTIONS

In this manual, the conventions (styles) used are as follows: **Active Buttons and Menus are indicated in Bold**. *Link titles will be shown in red text and will be italicized.* **Screen Names are listed below each screen and are marked as figures**. <u>Action words/phrases (indicating that you must perform some action) are indicated by an underline</u>. ***Notes or other messages will be indicated in bold and italics.*** WARNINGS WILL BE HIGHLIGHTED AND IN ALL CAPS.

NAVIGATION

Basic Windows functionality is required to use the Personnel Locator. While using the web component, we recommended that you use the screen navigation buttons instead of your web browser controls.

NOTE: PRIVACY ACT INFORMATION: THIS INFORMATION IS ONLY USED FOR THE PURPOSE OF AUTHENTICATION TO THE STARS II SYSTEM. INDIVIDUAL SSNS, BIRTHDAYS, START DATES WITHIN A DEPARTMENT, AND ADDITIONAL ROLES WITHIN A DEPARTMENT ARE NOT PROVIDED FOR ANY OTHER USE AT USUHS. ANY PERSONAL INFORMATION OBTAINED WILL NOT BE SHARED WITH OTHER INFORMATION SYSTEMS.

TUTORIALS

The purpose of these tutorials is to guide the user through the various functions of the On-Line Personnel Locator. If the user follows each step in succession, he/she will find the tutorials and the on-line application very user-friendly.

Every user will be able to search by first name, last name or department. This search capability will provide the user with the most efficient way to locate another person within the USUHS family.

Tutorial 1: Log on to CORPORATE DATABASE On-Line

There are several ways to access the Personnel Locator application. They will require that you go through either your Internet Explorer or Netscape Navigator browser.

Step 1   Click on the Internet Explorer or Netscape Navigator icon that is on your desktop. This opens your browser window.

Step 2   Access the **USUHS** home page (Figure 1).

Step 3   Click one of the following links: *Students*, *Faculty*, *Staff*, *Military*, or *Research*.

Step 4   Click the *Personnel Locator (USU Only)* link on the right side of the page.

Or

Step 5   Click the *Site Index* link on the home page.

Step 6   Once the Site Index page opens up, click the *P* at the top of the page then scroll down and click the link for the *Personnel Locator*.

Or

Step 7   In your address window type the following address: *locator.usuhs.mil*

Tutorial 6: Using the Online Employee Insert Form

This tutorial will guide the Administrative Officer through the process of submitting an Online Employee Insert Form. The link to this form is found on the USU Admin Department List page. This form is used to let both Security and UIS know that someone needs to be added to the Personnel Locator or that a name change is needed. This section requires a department code and a password. Please be aware that his form was made available to the Administrative Officers and ASD because certain fields need to be updated by Security.

Step 1   From the **Personnel Locator** main menu <u>click</u> the **USU Admin** button. You will now see the **USU Admin Login** screen (Figure 14).
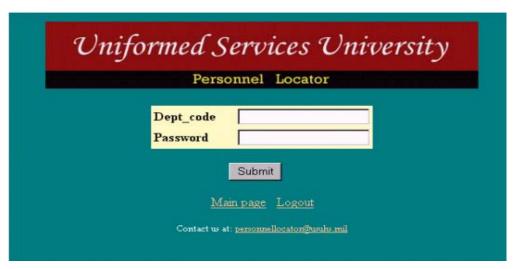

Figure 14: USU Admin Login

Step 2   <u>Enter</u> your department code (in lowercase letters) in the Dept_code field.

Step 3   <u>Enter</u> your password (in lowercase letters) in the Password field and <u>click</u> the **Submit** button. You will see the *Online Employee Insert Form* link above the list of employee names in your department.

Step 4   <u>Click</u> the *Online Employee Insert Form* hyperlink. (Figure 16)

Figure 15: USU Admin Department List

Step 5   Click one of the radio buttons to indicate if your purpose is to add a new
                   employee or you are indicating a name change for the person.
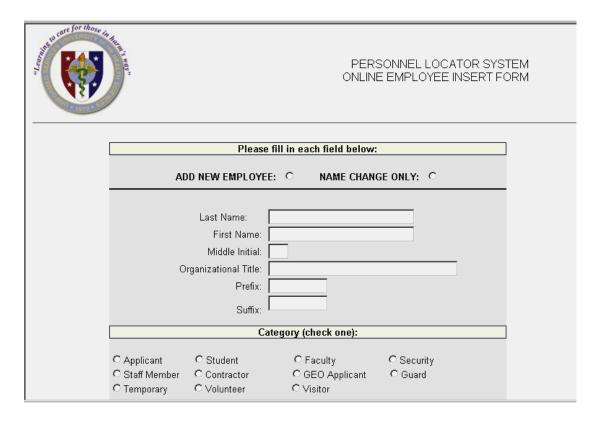

Figure 16: Online Employee Insert Form

Step 6   Fill in all the appropriate fields on the form. ***Note: The mandatory fields are:
                   Last Name, First Name and Department.***

Step 7   Make sure to fill in your name, phone number and the date you're submitting the
                   request. These are also mandatory fields.

Step 8   Once you have completed the Online Employee Insert Form, click the **Submit**
                   button. You will see a message that says: "Thank you! Your request is being
                   processed and mailed. Thank you for your cooperation."

Step 9   Click the **Back** button on your browser twice to return to your department list.

Step 10   Once you are done updating the information click the *Main Page* hyperlink.

Step 11   If you have completed all you needed to do in the Personnel Locator, click the
                   Logout hyperlink and close your browser.

Tutorial 7: Update Person Action

This tutorial is for the Administrative Officers in each department who are normally responsible for updating ASD with the information they need for the directory. This tutorial will guide the Administrative Officers through the process of updating a person action such as detailing a person to another department, transferring a person to another department or separating a person from the directory. This section is only accessible with a specific login and password.

Step 1   From the **Personnel Locator** main menu <u>click</u> the **USU Admin** button. You will again see the **USU Admin Login** screen.

Step 2   <u>Enter</u> your department code (in lowercase letters) in the Dept_code field.

Step 3   <u>Enter</u> your password (in lowercase letters) and <u>click</u> the **Submit** button. You will get a list of employees in your department.

Step 4   <u>Click</u> the name of the person from the list whose action you want to update.
